

# 121 Watleys End Road.

121 Watley's End Road is a registered nursing home which provides high levels of care for people with learning disabilities.

Situated in the Winterbourne area of Bristol, the home is a large, spacious 14 bed bungalow.

The home has a staff team dedicated to delivering support to residents who have a variety of profound and complex health needs. Registered nurses are on duty 24 hours a day.

## Support

The home caters for a wide range of needs including sensory impairment, epilepsy, communication difficulties, diabetes, feeding problems, full nursing and personal care needs and conditions associated with people with a physical disability. Staff are extensively trained to ensure they effectively meet the needs of each individual.

Every resident has their own key worker, providing some continuity in the care they receive. Care plans and health action plans are created for each resident, identifying the individual support and care they require and outline their daily routine.

## Facilities

The home consists of:

- 14 bedrooms
- Shared bath and shower rooms
- Two lounge areas
- Dining room
- Two kitchens (one of which is used by residents)
- A multi-sensory snoezelen room
- Large garden and patio area
- Hoisting facilities

Wide corridors and room bedrooms ensure easy access for wheelchair users.

## Activities

The people living at 121 Watley's End Road take part in activities both inside and outside of the home. The many activities going on inside the home, including bingo, karaoke and cooking provide an opportunity for everyone to participate whenever they choose. A quiet area is available if people choose not to take part in activities.

Many residents choose to participate in community activities outside of the home. Residents regularly take part in hydrotherapy sessions, swimming, trampolining, trips to the cinema and club activities. The home has two wheelchair accessible vehicles to cater for these activities for those people who choose to take part.
