

# Chasefield House.

An airy spacious home set in exceptional grounds, Chasefield house offers rooms for 11 people with learning difficulties and boasts an experienced specialist team supporting people with conditions including autism and dementia.

The residents, whose ages range from around 50 to 90 years old, are very settled in the home and enjoy the great range of personalised activities on offer, including:

- Reflexology / yoga / aromatherapy
- Wii games console / iPads
- Regular visits from Bristol zoo with animals
- Trips out e.g. football games, discos, sailing in the Matthew
- Holidays such as coach trips
- Artwork and creative activities
- In-house entertainment and theatre
- Support to use the local facilities and to be part of their community
- Arts scheme with local school
- 1960s/70s reminiscence room.

## Facilities

The home provides 24 hour care, and benefits from a large back garden, vegetable growing areas and gazebo.

One of the home's best features is its spacious living room, which looks out onto the garden. New furniture and the sunny aspect make this room a comfortable space for social gatherings, activities and relaxation.

Chasefield is well located, within walking distance of friendly pubs, churches, shops, banks and parks, and an excellent bus route. The residents also have a lease car which they use every day.

Staff were caring towards people and there was a good relationship between people and staff. Staff demonstrated an in-depth understanding of the needs and preferences of the people they cared for.

CQC Inspection, April 2017

We practice person-centred care, with each resident contributing to their own plans and reviews, establishing what they want from life and how this will be achieved.
