

Coronation Road.

Coronation Road in Southville, has a long established group of residents who have lived at the home for many years.

A relaxed, a spacious home which also boasts a well-established staff team, Coronation Road caters for six residents who have enduring mental health needs.

Currently the home caters for older residents, aged in their 50s to 80s.

Facilities

Coronation Road is a large property is situated close to Bristol city centre and to the shops and amenities of Bedminster.

The home is based over three floors and the rooms include:

- Dining room and kitchen
- Two large lounges on the ground floor
- Bathrooms on all floors
- Six bedrooms

The home has a team of five staff.

Activities

Each of the service users living at Coronation Road has their own activity schedule, detailing their chosen activities.

Residents are encouraged to pursue individual hobbies and interests. People choose to take part in a variety of past times including computer courses, craft groups, shopping or simply relaxing at home.

Links with family are encouraged and service users often meet with family members both inside and outside of the home.

All of the residents at Coronation Road have a bus pass and enjoy trips out using public transport. In the past, residents have been as far as Weston-super-Mare on the bus.

Inspected and rated

Good

“

People told us they felt safe and got on well with staff. We observed positive relationships between people in the home and staff. Staff spoke positively about people and treated them with dignity and respect.

CQC Inspection, October 2017

Encouraging independence

The aim is to support service users to be as independent as possible and people are encouraged to access local services, make their own appointments and to cook and shop for themselves where appropriate.

Residents also very much involved with running the home, taking on chores and shopping for the house. Some residents self-cater out once or twice a week and enjoy cooking for themselves.
