

26 Radley Road.

26 Radley Road is a newly refurbished bungalow in Fishponds, Bristol, offering shared accommodation for three adults with learning disabilities.

This is a really exciting opportunity for three people who wish to experience independent living.

Who it's for

The property would ideally suit people who may be leaving home or residential settings for the first time and who wish to share space with others but may need additional reassurance when living independently, possibly for the first time.

Support offered

Milestones will provide six hours of shared, on-site support every day and can also provide visiting support for each person, according to their needs and preferences. The bungalow benefits from the added reassurance of 24 hour on-site support at the property next door, with the option to use assistive technology to support independence.

Our highly skilled staff will use person-centred approaches to support each person to achieve their goals and outcomes.

Staff were extremely caring and supportive. People were very much the centre of their care.

Staff were enthusiastic and worked with people to enable them to achieve positive outcomes.

About the bungalow

The accommodation offers three good-sized bedrooms, a bathroom, separate shower room and a large kitchen/diner/lounge area.

On a corner plot, the bungalow has garden on three sides and offers ample space to enjoy time outdoors.

The bungalow is situated in a quiet, residential street close to the centre of Fishponds and is within walking distance of friendly pubs, churches, shops, banks and parks. Good bus routes also operate in the area, going to the city centre and beyond.

The rent meets eligibility criteria for anyone who is entitled to claim Housing Benefit.

About Milestones Trust

Milestones Trust is a charity that supports people with learning disabilities, mental health needs and dementia in Bristol, North Somerset and South Glos.

We build our support around the individual person and their particular needs, wants and ambitions.
