THE DIFFERENCE CORONATION ROAD MAKES

Coronation Road provides a home and support to older adults who have enduring mental health needs. Our well-established staff team at this relaxed and spacious home aim to support people to be as independent as possible. People we support are involved in decision-making around the home and take on chores including shopping and cleaning.

THREE GREAT THINGS ABOUT CORONATION ROAD

Tailored support - Each of the people we support living at Coronation Road has their own activity schedule, detailing their chosen activities.

A spacious home - Coronation Road is a large property based over three floors. It boasts two large lounges and bathrooms on every floor.

A great location - The home is situated close to Bristol city centre and near to the shops and amenities of Bedminster.

OUR VALUES

We start with the person. From craft groups to computer courses, we encourage people's individual hobbies and interests.

We bring people close. We support people to meet with family inside and outside of the home.

We take our creativity to work with us. People we support are involved in the running of the home as much as possible.

We are courageous in our approach. We encourage independence, with some people we support cooking for themselves and booking their own appointments.
