Our friendly staff help people we support to be as independent as possible, and offer personal care as well as support with accessing the community. All bedrooms have an ensuite bathroom and there is a lift, making this a suitable home for wheelchair users and other people with mobility issues.

OUR VALUES

We start with the person. From trips to the Hippodrome to watching Bristol Rovers, we encourage individual hobbies and interests.

We bring people close. Residents choose their own bedroom's colours and furniture.

We take our creativity to work with us. Our adapted kitchen equipment enables people we support to make their own food and drink, encouraging greater independence.

We are courageous in our approach. We help people to go on trips, with one resident supported to go to Disneyland Paris.
