

# 26 Radley Road.

## THE DIFFERENCE RADLEY ROAD MAKES

Radley Road provides a home and support to three adults with learning disabilities. It would ideally suit someone who will be living away from home or a residential setting for the first time, and who wishes to experience independent living whilst sharing a home with others. Our staff provide support to enable people to live independently.

## THREE GREAT THINGS ABOUT RADLEY ROAD

**Tailored support** - Staff provide six hours of shared, on-site support every day and can also offer support to individuals, according to their needs and preferences.

**Outdoor space** - Surrounded by a garden on three sides, the bungalow offers ample space to enjoy time outdoors.

**Great access to amenities**- The property is situated in a quiet, residential street and is within walking distance of friendly pubs, churches, shops, banks and parks.

## AT A GLANCE

**Service type** - Supported living

**Location** - Fishponds, Bristol

**Number of beds** - 3

**Number of floors** - 1 (bungalow)

## OUR VALUES

**We start with the person.** Staff use person-centred approaches to support each person to achieve their individual goals and outcomes.

**We bring people close.** We take time to build good relationships with people we support and their loved ones.

**We take our creativity to work with us.** We try to find creative solutions to offer people the best possible support.

**We are courageous in our approach.** People we support are encouraged to make decisions for themselves and be as independent as possible.
