

# Vassall Road.

## THE DIFFERENCE VASSALL ROAD MAKES

Vassall Road provides a home and support to adults who have a learning disability. We build our support around each individual, with allocated one to one time for them to pursue activities of their choice. People we support are encouraged to be as independent as possible and are involved in the running of the home. A house vehicle is available for trips.

## THREE GREAT THINGS ABOUT VASSALL ROAD

**Wide-ranging support** - Staff are experienced at supporting people with a range of different needs, including epilepsy and autism.

**Communication** - Staff are experienced at supporting people with varying levels of communication needs, with tools used to enable people to express preferences.

**A great location** - Close to Fishponds Road, the home is near to supermarkets, shops, restaurants and bars, as well as a busy bus route into Bristol city centre.

## AT A GLANCE

**Service type** - Residential

**Location** - Fishponds, Bristol

**Number of beds** - 6

**Number of floors** - 2

## OUR VALUES

**We start with the person.** From pottery to trips to the pub, we encourage people's individual hobbies and interests.

**We bring people close.** People we support have strong relationships with staff, as well as with each other.

**We take our creativity to work with us.** We give people quality one to one support, which is based on their interests and preferences.

**We are courageous in our approach.** Staff identify training that will help them give support tailored to the people living at Vassall Road.
