## OUR VALUES

**We start with the person.** From trips to the pub to trampolining, we encourage people's individual hobbies and interests.

**We bring people close.** Each person we support has their own key worker, ensuring continuity to the care they receive.

**We take our creativity to work with us.** We organise activities within the home, including bingo and karaoke.

**We are courageous in our approach.** Staff are extensively trained to ensure they can meet the needs of each individual.
